<b>MA-705 PORTABLE PA- FOR MULTICHANNEL RECEIVERS</b>				
	MA-705PA	<p>The entry level configurable package. Code relates to the system only, CD player or wireless receivers are optional. Please note this system accepts multichannel receivers only, for fixed receiver options see MA-705PAQ. Included is a 50w power stage via an 8" full range speaker for exceptionally high quality reproduction of voice or programme music for up to 600 people. The rechargeable battery provides 4 to 6 hours of continuous operation after a 6 hour charge. Up to 2 MRM-70 receiver modules and one CDM-2 CD player module can be added. The 705 also accepts wired microphones, MP3 players or a variety of external sources. Transmitter (optional) batteries are recharged in the unit and there is a compartment to house the transmitters in transit. Weight is 9.8kg, dimensions 400x285x225mm. 96dB spl @ 1w/1m.</p>	£389.00	£466.80
	MA-705PAD	As above with CD/MP3 player pre-fitted. Transmitter and receiver options must be purchased separately.	£695.00	£834.00
	MA-705EXP	Passive extension speaker for MA-705.	£224.00	£268.80

PRODUCT	PRODUCT REF	DESCRIPTION	STG RETAIL EX. VAT	STG RETAIL INC. VAT
<b>MA-707 PORTABLE PA</b>				
	MA-707PA	System only without receiver, cassette or CD options. Accepts 2 x Wireless receivers (UHF or VHF) plus wired microphones, internal Cassette/CD and an external line source. 2x jack line out, 1x xlr line in, 1x jack line in. All can be controlled via the built-in mixer. An 8 hour charge provides 6 to 8 hours continuous operation. Can also be powered via an external 12v source. A charging tray for transmitter batteries and storage compartment keeps everything in one, tidy place. Weighing in at 13.5kg the MA-707 has a 70w rms power stage & sensitivity of 96dB spl @1w/1m. Dimensions: 445x310x240mm.	£499.00	£598.80
	MA-707PAD	MA-707 Portable PA as above with CDM-2P pre-fitted. Without cassette or receiver options.	£795.00	£954.00
	MA-707EXP	Passive extension speaker for MA-707 with an impedance of 4 ohms. In common with all Mipro extension speakers, it operates in series with the main unit to avoid impedance issues. For instance, the MA-707 with a single EXP has a total impedance of 8 ohms.	£242.00	£290.40
<b>MA-708 PORTABLE PA</b>				
	MA-708PA	A step up from the MA-707, the MA-708 delivers a substantial 180 Watts of exceptionally clear sound reinforcement from a compact, rugged enclosure. This powerful PA accepts up to 4 MRM 70-BX ACT receiver modules (extra fitting plate required for additional 2 modules) and can also accept MT-90 wireless transmitter modules for system linking. Features: <ul style="list-style-type: none"> <li>· Voice priority feature mutes music when mic is used.</li> <li>· Active limiter keeps sound clean when driven hard</li> <li>· 3 power options: AC, DC or rechargeable battery <ul style="list-style-type: none"> <li>· Echo effect control</li> </ul> </li> <li>· Retractable handle and sturdy wheels</li> <li>· 4-segment meter displays battery level</li> </ul>	£769.00	£922.80
	MA-708PAD	MA-708 with CD/MP3 module factory-installed	£1,085.00	£1,302.00
	MA-708EXP	Passive extension speaker for use with MA-708PA. Includes 2m cable.	£348.00	£417.60
<b>MA-808 PORTABLE PA</b>				
	MA-808PA	The MA-808 features a huge 250 watt output, suitable for crowds of up to 2,000 people. Sold as system only without receiver or CD options. Accepts 2 x Wireless receivers (ACT) plus wired microphones, internal CD and an external line source. All can be controlled via the built-in mixer. An 8 hour charge provides 8 hours continuous operation. Features a 4 segment battery 'fuel gauge'. Can also be powered via an external 12v source. A voice priority feature mutes the music when microphone is used. A charging tray for transmitter batteries and storage compartment keeps everything in one, tidy place and a retractable handle makes for easy transportation. The MA-808 weighs 20.5kg, dimensions 460x560x350mm. Does not accept extension speaker.	£1,400.00	£1,680.00
	MA-808PAD	As above with CD/MP3 player pre-fitted. Transmitter and receiver options must be purchased separately.	£1,700.00	£2,040.00
	MA-808EXP	Passive wired extension speaker for MA-808PA. Supplied with 10m cable.	£700.00	£840.00
